

# Mitchel Lincoln

## Your sustainable packaging partner

We are a proud member of the Atlantic Packaging family and are 100% vertically integrated, from our recycled paper mills to our own fleet of trucks. For over 50 years, we've been leaders in corrugated packaging, and we make sure to support our customers by offering personalized services that meet their expectations.

## Certifications

La marque de la  
gestion forestière  
responsable

The mark of  
responsible forestry

To ensure the sustainability of our cardboard boxes, we have obtained several internationally recognized certifications. These certifications attest to our commitment to the environment, responsible resource management, and compliance with food safety standards.
